AFFIDAVIT OF LOUISE DESROSIERS, M.D.

STATE OF DELAWARE       )  
                                      )  
COUNTY OF KENT         )

I, LOUISE DESROSIERS, M.D., being duly sworn hereby aver as follows:

1. I am over the age of 18 and competent to make this affidavit. I am one of Plaintiff's treating physicians.
2. After four years, medical orders should be reviewed and reassessed.
3. CMS has attempted to treat Plaintiff's lower back with pain medications and muscle relaxants, including Soma, Feldene, Ultram, Tylenol 3, Neurontin and Robaxin. This course of treatment has had limited success, and it was determined to try to reduce his dependence on narcotic medications and try other options, such as physiotherapy.
4. On December 4, 2007, Ultram and Neurontin were discontinued.
5. On December 4, 2007, Tylenol 3 and Robaxin were started.
6. Plaintiff was given physiotherapy in December 2007 and appears to have responded well.

7. Plaintiff's condition, and the approach to his treatment, is being re-evaluated.

He has undergone a physical exam, and radiographic studies are being updated to determine whether to continue conservative treatment or whether more aggressive modalities are warranted.

8. On February 5, 2008 Tylenol 3 was stoppcd temporarily. Plaintiff has been re-assessed and has been prescribed Vicodin for five days after which time Tylenol 3 will be restarted.
